

Sergeant Bluff-Luton CSD Facility Committee Meeting
February 3, 2014

The facility committee met at 6:30 P.M. in the high school lecture hall with the following board members present: Amiee Krogh, Mike Laughlin, Dean Williams and Dave Schaar. The committee was attended by several community members and staff. Dave Stokes from RSP consulting presented an overview of the services they can provide which include detailed demographic and enrollment analysis. The study will take approximately three months with six to eight committee meetings and one to two meetings with the public.

Dr. Earleywine reviewed the services that ECS, Jerry McCall, and Estes Construction could provide. There was discussion on how to proceed. Dr. Earleywine recommended hiring RSP to complete a demographic analysis. He also recommended hiring Estes Construction to determine the cost to remodel the Primary Building. They will also determine the cost to remodel the Middle School Building to accommodate the primary students, daycare, and preschool. The committee agreed. This information will be needed to determine how to proceed with the long-term building needs at the Primary. This recommendation will be presented to the board at their meeting on February 13, 2014.

The meeting adjourned at 7:25.
